EDUCATION

IN VIEW

UNIVERSITY OF IBADAN

- Ph.D., Biostatistics

2023 - 2024

UNIVERSITY OF LAGOS

- Master of Science, Statistics

2019 - 2021

UNIVERSITY OF LAGOS

- Master of Science, Public Health
(Medical Statistics Option)

2011 - 2014

UNIVERSITY OF NIGERIA

- Bachelor of Science, Edu.
Mathematics
- GPA: 4.21 / 5.0

SKILLS

- Statistical Analysis (SPSS, R, Stata, Minitab, EViews, Epi Info etc.)
- Research Design
- Data Science
- Teaching and Mentoring
- Scientific Writing
- Critical Thinking

LANGUAGES

- English: Fluent
- Yoruba: Fluent
- French: Basic

PROFILE SUMMARY

Experienced statistician and academic with extensive expertise in biostatistics, data analysis, research consulting, statistical software, teaching and supervision. Currently pursuing a Ph.D. in Biostatistics

WORK EXPERIENCE

Yaba College of Technology

2026 - PRESENT

Lecturer I

- Service the department of Statistics in departmental courses
- Service other departments in Business Statistics and Introduction to Statistics
- Undertake administrative assignment as given by the Head of Department

Yaba College of Technology

2024 - 2025

Assistant Chief Technologist

- Service other departments in Business Statistics and Introduction to Statistics
- Undertake administrative assignment as given by the Head of Department
- Take statistical courses and practical for the part time programme
- Supervise the management of the department's laboratories
- Review of practical materials (manuals, statistical tables, prospectus) for the Department
- Expose Students to the use of statistical software in data analysis

Yaba College of Technologist

2021 - 2023

Principal Technologist

- Service other departments in Business Statistics and Introduction to Statistics
- Undertake administrative assignment as given by the Head of Department
- Take statistical courses and practical for the part time programme
- Supervise the management of the department's laboratories
- Review of practical materials (manuals, statistical tables, prospectus) for the Department
- Expose Students to the use of statistical software in data analysis

Yaba College of Technologist

2018 - 2020

Senior Technologist

- Demonstrate the practical application of the use of statistical tools to real life situations

TEXTBOOKS

- Karim, A. M.; Ige, S. A. & Ayodeji, A. A. (2023). Selected Techniques in Operations Research with Models Questions and Answers. Tetfund Publication.
- Olufolabo, O. O.; Talabi, C. O.; Olufolabo, A. A. & Ayodeji, A. A. (2022). Principles & Practice of Statistics. Lagos: Has-fem (Nig.) Enterprises.

PRACTICAL MANNUALS

- Ayodeji, A. A. & Ikegwu E. M. (2023). Industrial Statistics Practical Manual: Minitab Software Version.
- Ikegwu E. M. & Ayodeji A. A. (2021). Applied General Statistics using Minitab
- Ayodeji, A. A. & Ikegwu E. M. (2017). Non-Parametric Statistics Practical Manual: SPSS Version.
- Ikegwu E. M. & Ayodeji A. A. (2017). Design and Analysis of Experiments Practical Manual using SPSS. Unpublished

POSTER PRESENTATIONS

- Ayodeji, A. A.; Ikegwu E. M.; Adebessin, O. S. & Ganiyu, Y. A. (2019) Simple Comparison and Association Statistical Tools in SPSS Practical Applications and Uses. Poster Presentation at the Innovations Week, Yaba College of Technology, 21 – 23 October, 2019
- Ikegwu E. M.; Ayodeji, A. A. & Adebessin, O. S. (2019) Modern Modelling Tools and Statistical Softwares for Research Data Analysis. Poster Presentation at the Innovations Week, Yaba College of Technology, 21 – 23 October, 2019

PUBLICATIONS IN JOURNALS
