CONFERENCE/WORKSHOP

**National Board for Technical Education (NBTE),
Centre of Excellence for TVET**

Greening Nigerian Polytechnic Campuses

Nigerian Polytechnics Going Green – February 11 to 13, 2020

IVETA-NBTE 2021 E-Workshop for TVET and Infrastructural Development

The Roles of Stakeholders in Addressing the Skills Gap for Infrastructural Development through TVET in Nigeria – October 12, 2021

Nigeria Computer Society 2022 International Conference

Smart, Secure, and Sustainable Nation (S3N 2022) – August 02 to 04, 2022

The Education University of Hong Kong

Education Equity in the AI Era - January 14, 2025

GREEN SKILLS AREA

- Green Curriculum (SDG 4 Target 4.7)
- Sustainability Mindset
- Waste management
- Agriculture

SOCIAL EMOTIONAL LEARNING (SEL) SKILLS

- Self-awareness - recognizing emotions, values, strengths
- Self-management - regulating emotions, goal-setting, self-motivation
- Social awareness - empathy, appreciating diversity
- Relationship skills - communication, cooperation, conflict resolution
- Responsible decision-making - ethical reasoning, evaluating consequences

VOLUNTEER WORK

- I offered free course tutorials for young learners (both at high school and university level) on my free hours/weekends
- I mentored young women/learners to become leaders in their chosen STEM fields (mostly ICT – Web Development, Software Development)
- I supported learners with free textbooks, incentives, internet data, free computer usage time, video materials for learning etc.
- I guide and source free professional/certification trainings for both young and mature learners for skills development

PROFESSIONAL PROFILE

- Greening, Gender Equality/Equity & Girl Child Education Advocate
- Technical and Vocational Education and Training (TVET) Advocate

- Online and Distance Learning Advocate
- Data Scientist (AI & ML)
- Software Developer/Computer Programmer
- Multimedia and Training Facilitator
- Mathematics and Algorithm Enthusiast

ICT EXPERTISE

Software Application Development and Management

- Enterprise Application Development
- Web Application Development
- Software Development
- Process Improvement
- Business Process Design
- Systems Integration
- Database Design and Development
- Business Software Acquisition and Installation
- Management Training
- Project Management
- Software Testing and Debugging

Programming Languages and Software Applications

- PHP, Javascript, VBscript
- MS Visual Studio (ASP.Net, Visual Basic.Net, CSharp)
- Adobe Studio (Dreamweaver, Fireworks, Premiere, XD, Photoshop etc.)
- Figma, Sketch
- MS Office Suites (Visio, PowerPoint, Project etc.)
- Windows OS
- Unix/Linux
- SPSS, MATLAB
- Oracle, MySQL, Access, SQL Server

IMPACTS OF OVER 12 YEARS WORK INPUTS

The impacts of my work inputs (with the themes – digitalization, entrepreneurship and sustainability) over the years span areas such as humanity, environment, social and economic. Some of which include and not limited to:

- Practical implementation of Student Online Application Portal, School Payment Portal, HR Software System (PlexCore), WYSD Online Application Portal, Google Forms management, e-Brochure Production and Graphics Design.
- Contribution to Quality Assurance of Skills Assessment Programmes.
- Promotion of Public Private Partnership to increase employability of graduates
- Educating of Technical and Vocational Education and Training (TVET) personnel to increase the quality of education
- Promotion of Skills acquisition programme to reduce unemployment and empower youths
- Promotion of Collaborative skill development projects for capacity building

- Promotion of Girls Education, Leadership and Entrepreneurship programmes for capacity building, inclusion, equality, and bridging gender gap
- Promotion of Intensive and hands-on ICTs integration in teaching and learning for quality education and social development
- Information sharing and advocacy (on environment, humanity, peace and development) for capacity building
- Promotion of Sustainable Development Goals for just and equitable world etc.

WORK EXPERIENCE (Over 12 Years)

Yaba College of Technology, Yaba, Lagos.

Dept: UNEVOC Centre for Research and Sustainable Development

Job Title: Assistant Chief Programmer Analyst

Duration & Duties: January 2026 till Date

Order of Work Arrangement: Descending (December – January: *latest to oldest*)

- I built Google form for Skills Pitch Competition for Yabatech World Youth Skills Day 2026. I disseminated the links and collated the competitors. I also shared the information on Yabatech WYSD 2026 events on our different Social Media. I developed flyers and brochure for the events. I managed the projector and media for the events and shared the events pictures. (Date – 15 to 27 July 2026)
- I participated in UNESCO-UNEVOC Webinar: Towards a Global TVET Agenda (Date – 16 to 17 June 2026)
- I participated in UNESCO World Environment Day Webinar: Educators at the Heart of Climate Action (Date – 5 June 2026)
- I disseminated United Nations Advocacy document on “Equal Opportunities for Women & Girls” (Date – 15 May 2026)
- I disseminated UNESCO-UNEVOC discussion paper on “Future Proofing TVET Strategies for Digital Transformation and AI Integration” (Date – 10 May 2026)
- I disseminated UNESCO Advocacy document on “AI as a threat to Cultural Workers” (Date – 10 May 2026)
- I built Human Capacity Development Survey for my organization (Date – 13 April 2026)
- I participated in UNESCO, ESD-Net & GEP webinar: Enhancing ESD Integration and Quality in Higher Education (Date – 10 March 2026)
- I disseminated UNESCO information on 'Advancing Gender Equality in TVET' for UNESCO-UNEVOC network on the occasion of International Women's Day (March 2026)
- I disseminated UNESCO information on 'UNESCO Prize for Girl's & Women's Education' for UNESCO-UNEVOC network for Call for Nominations 2026 (March 2026)
- I built e-Brochures, Registration and Attendance forms for the stakeholders 'Yabatech UNEVOC Centre for Research and Sustainable Development (UNEVOC CRSD), Association of Women Town Planners Lagos State Chapter (AWTPN LSC) and the Centre for Multi Modal Studies University of Lagos' who hosted *SDG 11 COLLOQUIUM - Advancing Sustainable Development*

Goal 11: Building Inclusive, Resilient, and Sustainable Cities and Communities (Date - 11 February, 2026)

- I disseminated UNESCO information on 'UNESCO 80 YEARS CAMPAIGN' for UNESCO-UNEVOC network which promoted UNESCO work on Advocacy, Knowledge Sharing, Networking, Capacity Building, Partnership and World of Work (January 2026)

Yaba College of Technology, Yaba, Lagos.

Dept: UNEVOC Centre for Research and Sustainable Development

Job Title: Assistant Chief Programmer Analyst

Duration & Duties: January 2025 – December 2025

Order of Work Arrangement: Descending (December – January: *latest to oldest*)

- I participated at the Seven-Up Bottling Company Limited (SBC) 2025 Sustainability Week to promote Green Skills Development (Date - 20 November, 2025)
- I treated the correspondence 'UNESCO-UNEVOC Gender Equality and Social Inclusion (GESI) in TVET' to select two representatives from the Centre, one female and one male, who participated in the UNESCO-UNEVOC GESI in TVET, to promote gender balance and diverse viewpoints. (Date - November, 2025)
- I treated the correspondence 'Shenzhen TVET Leadership Workshop on Digital Transformation & Global Forum on Digital Transformation in TVET' (Date - November, 2025)
- I participated and also collated/shortlisted students for 'Dangote Cement Plc Waste-to-Fashion and Lifestyle' programme which promoted sustainable living, partnership and sharing of industries best practices in sustainability (Date - 31 October, 2025)
- I participated in UNESCO webinar 'Early Childhood Care and Education for Sustainability' to highlight the critical role of ECCE on ESD. (Date - 16 September, 2025)
- I participated in 2025 World Youth Skills Day (WYSD) themed 'Youth Empowerment through AI and Digital Skills', hosted by Yabatech UNEVOC Centre (CRSD), Centre for Linkages, Partnership & International Relations (CLPIR), Skills Development Centre (SDC), Centre for Open Distance and Flexible e-Learning (CODFeL), TETFund Centre of Excellence (TETCoE) and Centre for Entrepreneurship Development (CED). (Date - 16 July, 2025)
- I participated in the networking and knowledge sharing sessions of the Learning Innovations and Emerging Technologies Forum Series themed "Rethinking the Role of Emerging Technologies in Education" hosted by the Global Institute for Emerging Technologies (GIET) Equity Team at the Education University of Hong Kong (EdUHK), UNESCO Institute for Information Technologies in Education (IITE) and the UNESCO Chair Programme. (Date - 24 June 2025)
- I participated in the UNESCO global network of education stakeholders ESD-Net 2030 session themed 'Teaching for action in the digital age: Empowering educators to lead local solutions to global challenges'. The session provided ESD educators with a step-by-step approach to revisiting, analyzing, and transforming their current curricula with more action-oriented teaching. Innovative learning technologies were explored wherever possible to enhance

Action-Oriented Pedagogies (AOP) and inclusive learning experiences. (Date - 27 May, 2025)

- I participated in 'ESD-Net 2030: Natural sites as learning spaces for ESD' to address how to make use of natural sites to promote an integrated, interdisciplinary approach to place-based learning and environmental education as part of inclusive quality education and lifelong learning for all. (Date - 19 March, 2025)
- I participated in YOMA Skills Accelerator Programme with RLabs Nigeria, Greenminds Environmental Sustainability Foundation, TETFund Centre of Excellence (TETCoE) and Centre for Entrepreneurship Development (CED), Yaba College of Technology to equip students with essential skills for personal and professional development. This resulted in Capacity Building of future work-force. (Date - 24 January, 2025)
- I participated in the webinar 'Education Equity in the AI Era' hosted by the Global Institute for Emerging Technologies (GIET) at the Education University of Hong Kong (EdUHK) and co-organized with UNESCO Institute for Information Technologies in Education (IITE), and UNESCO Chairs Programme to promote the innovative use of ICT and served as a facilitator and enabler for achieving SDG 4 through ICT-enabled solutions and best practices. (Date - 14 January, 2025)

Yaba College of Technology, Yaba, Lagos.

Dept: UNEVOC Centre for Research and Sustainable Development

Job Title: Principal Programmer Analyst

Duration & Duties: January 2024 – December 2024

Order of Work Arrangement: Descending (December – January: *latest to oldest*)

- I participated in the QAA programme organized at NAPTIN (Date – 21-25 October 2024)
- I shared information about the College on the Centre's social media platforms (Date – 14 October 2024)
- I supported my department participation on UNESCO BILT programme held at Ghana (Date – 14 October 2024)
- I collated the input of educators (teachers/lecturers) for 2024 World Teachers' Day celebration (Date – 7 October 2024)
- I promoted 2024 World Teachers' Day celebration for UNESCO on behalf of the College (Date – 5 October 2024)
- I created awareness on Centre's social media platforms for 2024 World Teachers' Day celebration (Date – 25 September 2024)
- I created Google form questionnaire for 2024 World Teachers' Day celebration (Date – 23 September 2024)
- I developed a new website for my department (Date – 13 September 2024)
- I participated in Nigerian Skills Qualifications Framework (NSQF) training towards promoting lifelong learning and providing quality assurance and recognition (Date – 12 September 2024)
- I contributed to my department implementation report for Yaba College of Technology Strategic Plan 2024 – 2028 in respect to actions required (Date – 10 September 2024)
- On behalf of my department and institution, I contributed to the input on Nigeria Education for Sustainable Development (ESD) 2030 Country Initiative

submitted to The Honourable Minister, Ministry of Education (Nigerian National Commission for UNESCO) (Date – 21 August 2024)

- I participated in the initiative Girls in Science organized by my department to commemorate International Day of Women and Girls in Science (Date – 12 February 2024)
- I contributed to my department Biennial Reports submitted to UNESCO-UNEVOC International Centre for Technical and Vocational Education and Training. Also contributed to our membership renewal (Date – 15 March 2024)
- I participated virtually in the inauguration of UNEVOC Hudson Valley Community College (HVCC) organized by UNESCO-UNEVOC International Centre (April 2024)
- I participated in the Bridging Innovation and Learning in TVET (BILT) programme organized by my department with the theme – Learning Lab on Inclusive Excellence in TVET (Date – 26 June 2024)
- I took part in the Awareness Walk and Symposium to commemorate World Environment Day 2024 themed Land Restoration, Desertification and Drought Resilience (Date – 5 to 7 June 2024)
- I participated in 2024 World Youth Skills Day themed Youth Skills for Peace and Development (Date – 15 July 2024)
- Other job functions I carried out include:
 - ✓ Developed graphics (e-flyer) for Girls in Science 2024 celebration, promoted the event on Centre social media, compiled participants and their research projects, managed Zoom presentations and monitored the activities
 - ✓ Managed the multimedia for the event World Environment Day (WED) 2024
 - ✓ Created graphics for 2024 Learning Lab for Inclusive Excellence in TVET programme, campaigned on SDG 4 on Centre social media and monitored the logistics for the event
 - ✓ Developed google forms for 2024 World Youth Skills Day (WYSD) Skills competition, graphics, mobilization and campaign on Centre's social media
 - ✓ Created Certificate templates for awards for Girls in Science 2024 initiative
 - ✓ Video recording and production for WYSD 2024

Yaba College of Technology, Yaba, Lagos.

Dept: UNEVOC Centre for Research and Sustainable Development

Job Title: Principal Programmer Analyst

Duration & Duties: January 2023 – December 2023

- Participated in Digital Literacy training for lecturers to commemorate World Literacy Day 2023
- Took part in the UNESCO-UNEVOC Network Coaction Initiative Project with University of Nsukka as the lead Institution. - Participated in UNEVOC Virtual Conference 2022
- Participated in Youth Skills Competition 2022
- Contributed to TVET Institution Resilience Questionnaire by UNESCO-UNEVOC International Centre, Bonn, Germany

Yaba College of Technology, Yaba, Lagos.

Dept: UNEVOC Centre for Research and Sustainable Development

Job Title: Senior Programmer Analyst

Duration & Duties: January 2021 – December 2021

- Contributed to Women@Dior Mentoring Programme 2021
- Participated in World Environment Day 2021
- Participated in UNESCO-UNEVOC TVET E-forum on Concept and Interrelation between Education, Training, Skills and Skills Development
- Participated in sensitization on Embedding Greening into Yabatech curriculum (Day 1)

- Participated in the workshop on Embedding Greening into Yabatech curriculum with the module titled “General Concept of Greening Curriculum” (Day 2)
- Participated in the workshop on Embedding Greening into Yabatech curriculum with the two modules titled "The need for Greening the Curriculum" and "How to Integrate Greening into TVET programmes" (Day 3)
- Participated in Practice of Embedding Greening in Curriculum - hands-on practical for integrating greening into existing courses (Day 4)
- Participated in Practice of Embedding Greening in Curriculum – presentation and review of newly developed greening courses (Day 5)

Yaba College of Technology, Yaba, Lagos.

Dept: UNEVOC Centre for Research and Sustainable Development

Job Title: Senior Programmer Analyst

Duration & Duties: January 2020 – December 2020

- I contributed to my department UNESCO-UNEVOC Biennial Work Plan
- I contributed to Women@Dior Mentoring Programme 2020
- I participated in 3 Day Sensitization Workshop for Greening Polytechnic Campuses
- I participated in Yabatech Greening Campus Sensitization for Students at Schools Orientation
- Through my department, I contributed to UNESCO-UNEVOC International Centre TVET Youth Story Campaign for United Nations WYSD 2020
- I participated in UNESCO-UNEVOC International Centre Virtual Conference for United Nations WYSD 2020
- I contributed to Covid-19 Template: Submission of Good Practice Examples
- Through my department, I contributed to UNESCO-UNEVOC International Centre Survey on the “Future of TVET Teaching and Learning”
- Through my department I contributed to UNESCO-UNEVOC International Centre Skills Competition for United Nations WYSD 2020
- Through my department, I contributed to UNESCO-UNEVOC International Centre Manual of Operation review
- Through my department, I contributed to UNESCO-UNEVOC International Centre Survey on Inclusion of Disadvantaged Learners in TVET “Inclusion and Education: All Means All”
- I participated in Yabatech UNEVOC Working Committee Meeting

Yaba College of Technology, Yaba, Lagos.

Dept: UNEVOC Centre for Research and Sustainable Development

Job Title: Senior Programmer Analyst

Duration & Duties: January 2019 – December 2019

- I promoted and participated in ‘Skills for Innovation Hubs’ (i-hubs) initiative, implemented by UNESCO-UNEVOC International Centre, aimed to facilitate institutional development and build institutional capacities to enable TVET institutions to become learning ‘hubs’ where all stakeholders – teachers, leaders, students, entrepreneurs, the private sector, local or regional authorities – could be supported in the development of new ideas, activities, and practices.

- I participated in the documentation of the Centre with UNESCO-UNEVOC International Centre, Bonn, Germany for the Skills for Innovation Hubs (i-hubs) project.
- I participated and promoted the United Nations World Youth Skills Day (WYSD) 2019 themed “Innovative and Entrepreneurial Skills for Development” to celebrate Youths with skills and raised awareness about the importance of Youth Skills Development for mitigating Youth unemployment.
- I participated in the activities organized by the Centre to celebrate the WYSD 2019 –
 - ✓ Debate session by students of Secondary schools (High schools) in Education District IV with the topic “Innovative digital literacy and entrepreneurial skills have led to success in the 21st century”
 - ✓ Theme songs for WYSD 2019 rendered by students of the College
 - ✓ Panel session with discussion focused on theme of WYSD 2019 by captains of industries in Lagos, Nigeria
- I participated alongside the Centre's team in Pre Guided Self Assessment (GSA) Meeting with Mr. Wilson Lima Junior, I-Hub Project Officer at UNESCO-UNEVOC International Centre for Skills for Innovation Hubs (i-hubs)
- I participated in the YCT I-Hubs Stakeholders Pre Guided Self Assessment (GSA) Meeting to get the Senior Management and members of the College to key into the i-hub project and to intimate the College on the process involved in the Guided Self Assessment (GSA)
- I assisted in identifying the different stakeholders for the I-Hubs project
- I assisted in specifying the roles of stakeholders in the I-Hubs project (Pre, During and Post GSA)
- I assisted the different stakeholders to be familiar with the I-Hub templates (documents)
- I assisted in sharing and understanding the I-Hubs project goals
- I participated in GSA Skype meeting with Peer Reviewers (Sri Lanka), UNESCO-UNEVOC I-Hub Project Team (Germany) and YCT I-Hubs Project Team for UNESCO-UNEVOC Skills for Innovation Hubs (i-hubs). Deliberations were made on the organization of the five-day Guided Self-Assessment (GSA) to take place in the College.
- I participated in the official GSA that took place between October 21 - 25 2019, in the College with the visitors - UNESCO-UNEVOC International I-Hub Project team Mr. Wilson Lima Junior, I-Hub Project Officer (Germany), Katarina Ormuz, I-Hub Project Assistant (Germany), GSA Peer reviewers, Dr Warahena Aruna Keerthi (Sri Lanka) and Mr Udawela Arachchillage Sagara Kamal (Sri Lanka). The event help-built ownership, engagement and capacity among stakeholders through the gathering and registering of evidence on the i-hubs’ (the College) current performance in innovation. Through the process, good practices and opportunities for improvement are identified and feedback is provided, contributing to the systematization of innovation in the i-hubs. It also created the functional goal of testing and co-developing the i-hubs Innovation Concept and Toolbox.
- I participated in the GSA Internal Stakeholders Consultation with different Groups and the High-Level Seminar.
- I helped in achieving –
 - ✓ Compilation of Innovative Practices for each of the departments/units in the College (YCT i-hub)

- ✓ Identification and documentation of YCT i-hub innovation capacity
- ✓ Identification and documentation of YCT i-hub innovation dimensions and indicators
- ✓ Successful coordination of internal stakeholder consultation sessions
- ✓ Identification and documentation of YCT i-hub Innovative Practice (IP)
- ✓ Identification and documentation of YCT i-hub Innovation Action Plan (IAP)
- ✓ Identification and documentation of YCT i-hub Innovation Work Plan (IWP)
- ✓ Identification and documentation of YCT i-hub innovation evidences
- ✓ Identification and documentation of YCT i-hub Skills and Innovation Ecosystem Map indicators and impacts
- ✓ Presentation of YCT i-hub balanced scorecard result to the College management
- ✓ Presentation of YCT i-hub innovation matrix result to the College management
- ✓ Generation of YCT i-hub GSA Report with feedback and recommendations

Yaba College of Technology, Yaba, Lagos.

Dept: UNEVOC Centre for Research and Sustainable Development

Job Title: Senior Programmer Analyst (Promoted)

Duration & Duties: January 2018 – December 2018

- I participated, carried out Call for Participation and monitored the International Women's Day (IWD) 2018 celebration in collaboration with WITED, Lonadek and Vital Voices. The event creates awareness for women who are conscientiously pressing for progress in the Society.
- I advocated for the empowerment of women through TVET, highlighting the role of women as important change agents.
- I campaigned for greater inclusion of women in TVET.
- I participated and promoted Women in Science Technology Engineering Mathematics (STEM) Event for IWD 2018
- I created awareness for Sustainable Development, Green Campus and Greening TVET on the occasion of World Environment Day 2018 themed "Beat Plastic Pollution". This is to bring about intensive public involvement in management of our ecosystems, social, cultural, political and economic dimensions.
- I created awareness on how to beat plastic pollution through alternative ways of disposing plastic materials
- I created awareness on how to convert waste to wealth. Reducing, recycling and redesigning products could be used for economic growth.
- I highlighted the importance of information sharing, advocacy, skills development and awareness creation for effective waste management
- I created awareness to students and staff of the college to improve on environmental issues especially on the menace of plastic pollution
- I participated in the celebration of WYSD 2018 and encouraged Youth to be self-reliant and to embrace skill acquisition in order to close the skills gap and reduce the alarming rate of Youth unemployment.

- I promoted the concept of Greening TVET and Sustainable Development Goals (SDGs). Practical information was offered to the students on how they can practice sustainability daily in all facets of their lives.
- I participated in the International Virtual conference organized by UNESCO-UNEVOC International Centre Born Germany themed “Improving the Image of TVET: Making TVET attractive to Youth” held on 16-24 July 2018 which discussed issues on how to improve the image of TVET among young people.
- I participated and promoted the World Teachers’ Day (WTD 2018) themed “The Right to Education Means the Right to a Qualified Teacher”
- I shared information on the social media platforms of the Centre for online campaign to help call for quality education for teachers who engaged in training students
- Managed the Centre social media handles – Twitter (now called X), YouTube, Facebook, Instagram, Google+ and websites
- Wrote annual reports for the Centre’s activities
- Designed graphics for the Centre’s activities – International Women’s Day 2018, World Environment Day 2018, World Youth Skills Day 2018, World Teachers Day 2018 etc.
- I participated in Awareness Walk Campaign for International Women’s Day 2018 and World Environment Day 2018

Yaba College of Technology, Yaba, Lagos.

Dept: UNEVOC Centre for Research and Sustainable Development

Job Title: Programmer Analyst I

Duration & Duties: January 2017 – December 2017

- I created awareness to commemorate the 2017 International Women's Day themed "Women in Changing World of Work Planet 50-50 by 2030"
- I promoted Call for Participation for World Youth Skills Day 2017 Photo Skills Competition. A total of 33 Students participated, 11 Females and 22 Males with various skills (Fashion design, Hat making, Aluminum fabrication, Shoe & bag production, Event Decoration, Baking, Laundry and bathing soap production, Painting, Art & Design, Photography, Augmented virtual reality, Comic illustrator, Programming and Control of Industrial device, Wig making, Makeup artist, Graphic designer, Cooking Stove production, Movie and music production, Suspended Ceiling Installation, Clothing outfits)
- I showcased three (3) best Youth Skills Competition winners (2 Females and 1 Male)
- Designed e-Flyer themed “My Youth, My Power” to create awareness on 2017 WYSD themed “Fostering Youth Employment and Entrepreneurship” to promote TVET and its relevance to Education, Skills Acquisition and Development
- I carried out awareness and Call for Participation for Free Skills Acquisition hands-on practical training on six (6) areas of vocational trainings (Dress Making, Event Decoration, Make-up Artist, Head Gear/Gele Tying, Mushroom Production, Web Development) to address the challenges of the aspects of 3d – Dirty, Dangerous, Difficult jobs
- I promoted TVET to address the challenges - Lack of access to quality TVET, Lack of access to apprenticeship facilities in industry, Skill mismatch between demand and supply, Poor vertical mobility, Lower status of TVET

- I designed Centre Admission Letter and Certificate for participants of the Free Skills Acquisition programme
- Participated in Awareness Walk Campaign for World Youth Skills Day 2017

Yaba College of Technology, Yaba, Lagos.

Dept: UNEVOC Centre for Research and Sustainable Development

Job Title: Programmer Analyst I (Redeployed to UNEVOC Centre)

Duration & Duties: June 2016 – December 2016

- I managed the Centre social media handles – Twitter (now called X), YouTube, Facebook, Instagram, Google+ and websites
- I managed the Centre emails and the Internet modem
- I managed the Centre projector, desktop PCs, laptops and printers
- I re-designed and developed YCT UNEVOC World Youth Skills Day (WYSD) Website
- I re-designed and developed YCT UNEVOC World Youth Skills Day (WYSD) Registration Portal for Students participating in Skills Competition
- I developed Backend Portal for YCT UNEVOC WYSD Website
- I developed YCT UNEVOC WYSD Gallery for Students participating in Skills Competition
- Capacity Building & Fostering Entrepreneurship –
 - ✓ I created awareness and campaigned on Youth Skills Development and Empowerment to mark the WYSD 2016 celebration.
 - ✓ I promoted Youth Employment and Skills Development for national development.
 - ✓ I showcased 28 males and 13 females that participated in the Skills Competition to further drive home the importance of skills acquisition
 - ✓ I showcased the three (3) best Youth skills, two (2) of which were females
 - ✓ I participated in the UNEVOC International Virtual Conference themed "Making Youth Entrepreneurship a Viable Path" to highlight the role of TVET in promoting entrepreneurship
- I participated in sensitization Workshops on FSD/FaB (Flexible Skill Development/Flexible and Blended) held in the College for all the faculties and Principal Officers, Deans, Directors and Head of Departments. Some of the topics presented include –
